

MCB's Lighting Brand is a Service-Disabled Veteran- and Minority-Owned technical sales distributor and manufacturer representative for Sylvania and LSI Industries. MCB is also an integrated Siemens partner and protégé. MCB is focused on delivering products and service solutions to utility industry customers for requirements up to 800KV. MCB has an unlimited credit line for turnkey electrification and supply projects. Additionally, MCB has bonding support for electrification projects up to \$250M per project and \$3B aggregate.
